FAQ

How many children are being sponsored?

We currently sponsor 15 children by placing them with foster parents and providing for their costs of living, which includes food, tuition, and clothing. We are always looking for more children and more sponsors.

How do you choose the children that are sponsored?

We seek to reach out to children who are abandoned on the street, orphans, the poorest of the poor.

How are foster parents identified?

Referrals are made by locals and those familiar with the culture and environment of Haiti and the Dominican Republic.

How is IASK funded?

We are a completely non-profit organization that is funded only through donations or sponsorships made by individuals, families, and businesses.

Where do donations go?

All donations are used for the support of the children. One dollar a day can sponsor three well-balanced meals. Another dollar a day will pay for a child's tuition, books, school uniform and other clothing, and medical needs.

Are volunteers needed?

Yes, because volunteers perform all organizational functions of IASK. There are currently over 50 active volunteers, but in order to expand we need individuals to donate their time and talents.

How can I join?

Please visit our website, iask4kids.org and click Join Us for a list of opportunities to serve. You can then email us to let us know your desired area of involvement and a member of IASK will contact you with more details.

Can groups volunteer?

Yes, groups can be a great resource for fund-raising and can collect items to be donated. Groups can hold their own fund-raiser, such as a garage sale, or can become involved with an IASK sponsored fund-raiser. Items for hygiene and school kits can also be collected for IASK trips in Spring and Fall. IASK member support is available to assist your group. Use the Join Us link iask4kids.org to contact us.

How can I become involved with the humanitarian missions?

We organize medical trips to Haiti and the Dominican Republic. We need medical professionals, support staff, and translators for each trip. Please contact us if you are interested in joining the group, in sponsoring an individual, donating equipment or medication, or in organizing humanitarian kits.
